  - Resolution PA19/2018-1, on submission of updated country implementation plans was endorsed by the Assembly.

---

## Since Argentina...

- All 23 countries submitted updated country implementation plans
- South Africa, India and Morocco have reduced their scope of activities. Other countries have streamlined their activities.
- Grant/financing arrangements were completed for Argentina, Colombia, Panama, The Philippines, Sri Lanka, Tunisia (UNDP), and Turkey (Additional Finance).
- For PA20, ISRs submitted by Argentina, Chile, China, Colombia, Costa Rica, Jordan, Morocco, Sri Lanka, Tunisia, Turkey, Vietnam, the Philippines, Cote d'Ivoire and Panama
- Country program disbursement/commitment increased to 62%

## Key Developments in PMR Countries

**Jordan** passed a climate change by-law to support climate action, including MRV system and Registry.

**Ukraine** passed a draft legislation on MRV.

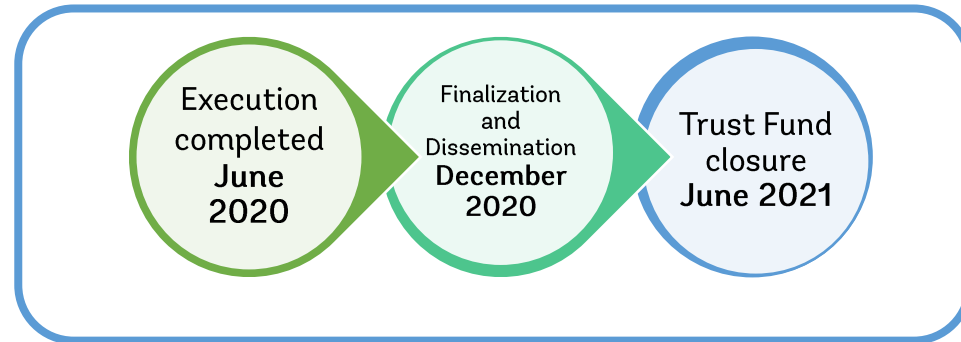

**South Africa's** carbon tax passed the parliament and is now law. Carbon tax will go into effect from June 1.

**Turkey** completed its MRP activities. It currently implementing activities on ETS with additional financing

# PMR Priorities Moving Forward

- Completion of country program activities by June 2020 and finalization/dissemination by December 2020.
- Further rationalization of implementation plans; commitment of resources by an early date
- Support for program acceleration
- Bring clarity on resource availability
- Systematic closure of the programs – including documentation, reporting and outreach (e.g. Implementation Completion Reports for recipient-executed grants)
- Call for ideas on prototypes of activities that can launch countries on the path of carbon pricing implementation (for deployment of surplus resources)

# Update on PMR Successor Program Development

## Consultations after PA19

- ✓ Internal Concept Review in the World Bank – Climate Change Group Senior Management
- ✓ Africa Regional Consultation at Africa Climate Week, Ghana
- ✓ LAC Regional Consultation at World Bank Spring Meeting, Washington DC

NAME OF THE PROGRAM ???

**CRISP** – Carbon-pricing Readiness and Implementation Support Partnership

**CPP** -- Carbon Pricing Partnership

## 20<sup>th</sup> Partnership Assembly

- Analysis from the updated implementation plan exercise.
- Status update on the overall budget of the PMR and proposal on budget for FY20 for PA endorsement.
- A reinforced Knowledge Management program for FY20.
- Consultation with Assembly participants on the PMR Successor Program.

# Thank You!
