Xueman Wang (PMR Secretariat)
Carbon Finance Unit, The World Bank

Barcelona, Spain
May 30, 2011

Overview

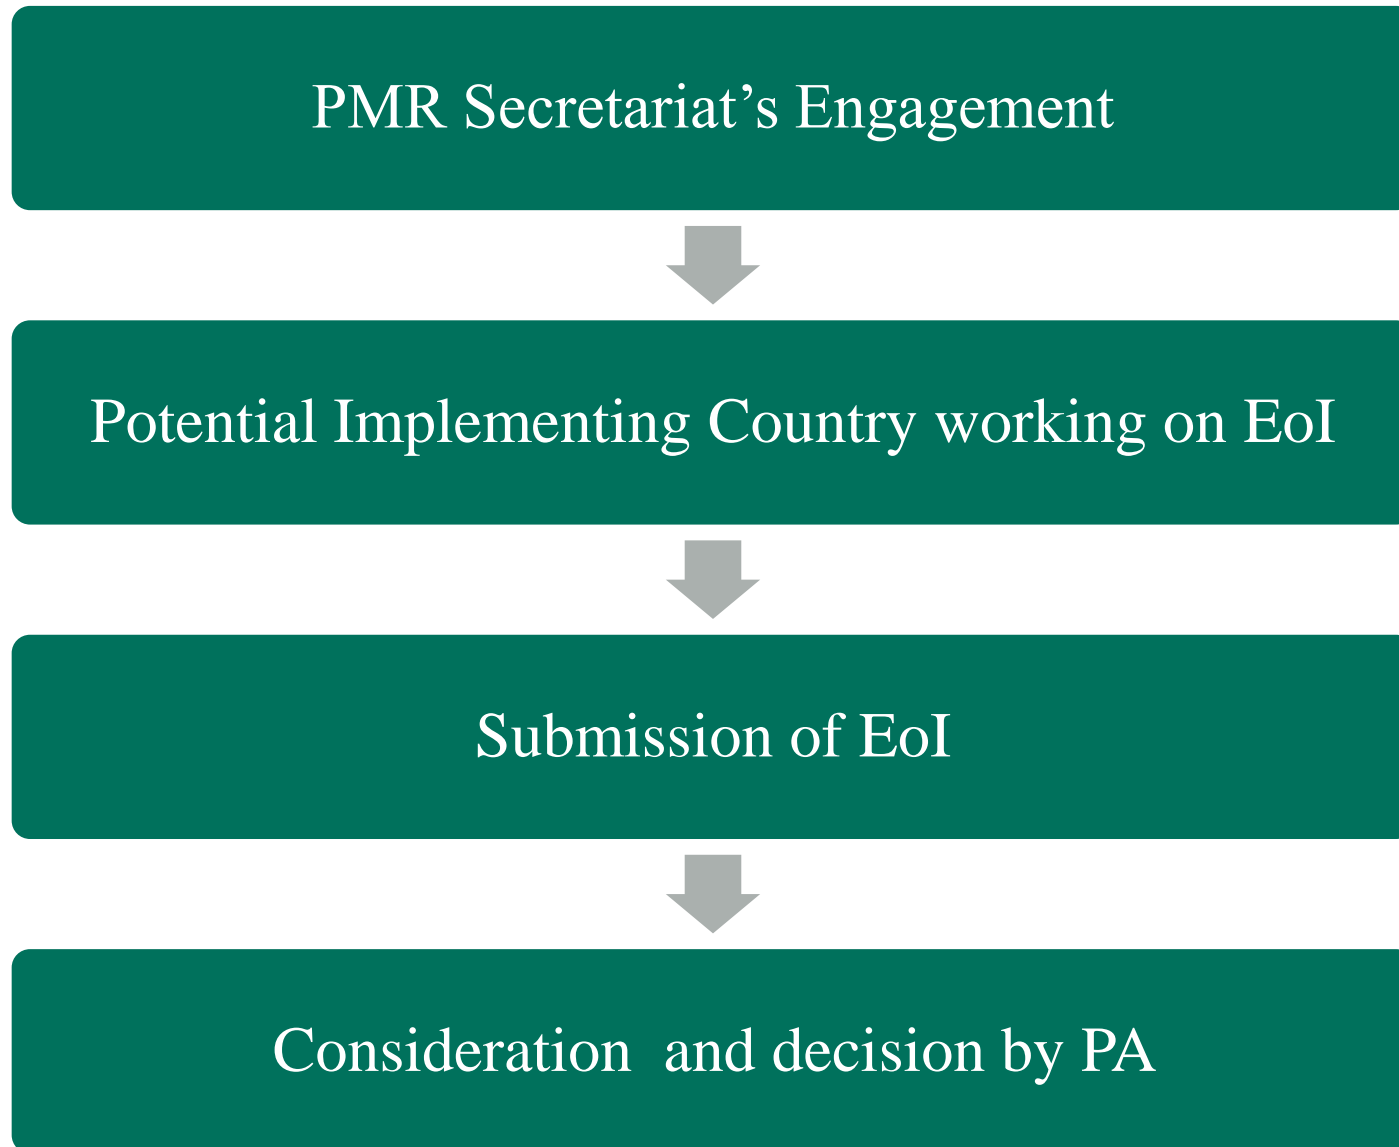

- ◆ Implementing Country Participants: Process for participation
- ◆ Status of the PMR Secretariat's Engagement in potential Implementing Country Participants
- ◆ Observers
- ◆ Guidance from the PA

Implementing Country Participants: Process of Participation(1)

Background:

- ◆ PA Resolution (ORG-3) adopted at the Organizational Meeting
 - *In view of piloting nature of the PMR and limited resources available, the target number of the Implementing Country Participants is set at 15*
 - *PMR Secretariat , in consultation with the PA, continues its engagement with potential Implementing Country Participants, with the objective to reach 15 by the end of 2011*

Implementing Country Participants: Process of Participation(2)

PMR Secretariat's Current Engagement (1)

◆ *Based on:*

- Priority being given to developing countries that, inter alia,:
 - Have existing enabling environment and capacity for implementing market instruments
 - Are interested in piloting new market readiness components and introducing market instruments such as scaled-up market instruments or domestic emissions trading scheme
- Geographical diversity
- Portfolio of market instruments

PMR Secretariat's Engagement: Where we are

- ◆ Targeted & limited engagement to avoid raising unnecessary expectations
- ◆ In addition to the 9 Implementing Country Participants, PMR Secretariat's engagement with 3 more countries moving forward with EoI:
 - Morocco (submitted EoI for consideration and confirmation at PA 1)
 - Jordan (working on EoI and expected to submit soon)
 - Vietnam (submitted the cover letter but still working on other part of the EoI)
- ◆ Other countries with which the PMR Secretariat has previously engaged, have participated in PMR consultations, and attended the PMR Organizational & PA meetings as Observers:
 - Brazil
 - India
 - South Africa
- ◆ A number of other countries approached PMR Secretariat

Observers

◆ Recalling PMR objectives:

- In addition to readiness support and capacity building, PMR is a forum for technical discussions and information sharing

◆ PMR has different levels of engagement

- PMR Participants participate in decision-making
 - Contributing Country Participants
 - Implementing Country Participants: access to PMR funding upon decisions by PA (or PC)
- Observer countries: information sharing and learning

◆ Participation in PMR meetings by Observers (observer countries and observer organizations/entities)

- Rules of procedure: In consultation with Chair (Co-Chairs), PMR secretariat may invite observers to attend the meetings
- Need to define criteria for inviting observers, taking into account cost implications, meeting space and efficiency of conducting meetings

Guidance from the PA

- ◆ PMR Secretariat seeks feedback and guidance from PA1 on:
 - Approach to the [further] engagement with potential Implementing Country Participants

- Should PMR Secretariat continue engagement with following countries for which it has had previous engagement (i.e., Morocco, Jordan, Vietnam, Brazil, India, South Africa)?
- Modality for inviting observer countries and observer organizations to participate in the PMR meetings;
 - Based on PA feedback, PMR Secretariat to prepare proposal for modality of engagement for consideration by PA 2
