Update on the PMR Roster of Experts

PMR Secretariat has established a Roster of Expert. It is developed to support PMR Participants in carrying out market readiness-related activities.

- Secretariat issued call for submissions in March 2011 & circulated a template to be completed by experts in various fields.
  - ~ 50 submissions received by April 10, 2011

- Individual experts and firms invited to complete the roster template & return it to the Secretariat along with CV (pmrsecretariat@worldbank.org)
  - Roster will be a “living” database

- Purpose of the Roster of Experts – A service to PMR and its participants (no obligation to select experts from Roster):
  - Support work of the PMR
  - Support work of PMR Participants
  - Form ~ network of experts / practitioners

- Experts from the Roster may be hired and supervised by the World Bank, or PMR participants, as appropriate
Process for Inclusion and Use

Submission to the Roster begins with completion of an Excel-based template.

...The Secretariat compiles submissions and maintains a master Database of Experts.
