# Donor coordination

## January, 2014 meeting

- Identify synergies, overlaps and gaps between the technical assistance programs
  - Review technical, regulatory & institutional, and policy ETS components and related supporting activities
  - Discuss challenges and coverage by respective technical assistance programs
  - Identify where combined efforts are necessary
  - Identify where PMR support would add value
- Proposal by MEWR to PA
- Define next steps for the MEWR and donors/project teams to maintain collective information sharing and coordination
