Countries are interested in exploring:

- New international scaled-up mechanisms
- Domestic trading schemes
- Energy efficiency trading schemes

Submitted EoIs indicate interest in exploring market mechanisms in the following sectors and sub-sectors:

- Power generation
- Iron & steel
- Energy efficiency
- Transport
- Waste management
- Cement
- Low carbon city NAMA
Based on submitted EoIs, countries seek PMR support to:

- Conduct assessment and studies (e.g. suitability of the instrument, economic impact, cost analysis, goal setting)
- Establish or strengthen domestic MRV systems
- Strengthen institutional capacity
- Pilot an instrument
