Evaluation Framework

- ◆ Draft version → Work in progress
- ◆ Result of useful consultations over the past three months with the members of the EWG
- ◆ **Objective:** Obtain feedback from the PA, either orally during this session or in writing by Friday, November 28, 2014.
- ◆ **Next Step:** Based on feedback received, preparation of a final version of the Evaluation Framework by DPMG/USC for endorsement by the PA either electronically during the intercessional period or at PA11.

Preliminary Findings of the First Evaluation (1)

- ◆ Low level of response to surveys and limited number of interviews
 - Preliminary findings, inputs for the Draft Evaluation Report
 - No conclusions , lessons or recommendations yet

- ◆ Initial evaluation is still a work in progress:
 - Additional round of interviews
 - Attendance at this meeting and the associated side events by an evaluation team member to provide further inputs

- ◆ Finalization of the first independent evaluation is necessarily dependent on PA endorsement of the PMR evaluation framework

Preliminary Findings of the First Evaluation (2)

- ◆ **Objective:** Obtain feedback from the PA on the report, either orally during this week or in writing by Friday, November 28, 2014.
- ◆ **Next Step:** Based on feedback received on the report and the complementary round of interviews, preparation of the draft version of the First Independent Evaluation Report by DPMG/USC for presentation to the EWG by the end of 2014 and to the full PA at PA11.
