	Turkey, Ukraine	
	Vietnam, Indonesia	

- Disbursements (and commitments) have gone up to over 77%
- Most countries on course to substantially complete the programs (many extended till Dec 20)
- A couple of countries would likely need restructuring (process on)
- Consultations/workshops impacted by lockdowns

Technical Work Program

- Two regional ‘Communicating Carbon Pricing’ workshops conducted (LAC in Costa Rica and ECA/MENA in Turkey).
- E-course on carbon tax completed (over 150 attended)
- Guide to measuring emissions completed

Additional Activities

- Six proposals sanctioned (<\$200K category)
 - **Develop the general framework for implementation of carbon pricing instruments (Indonesia case study)**
 - **Implementation of a voluntary crediting scheme and defining the crediting mechanism (Chile case study)**
 - **Intensive capacity building in carbon pricing and green investments (Thailand case study)**
 - **Carbon market development in Southern Africa**
 - **Customization of MRV system (Panama case study)**
 - **CORSIA: Capacity Building requirements for Aviation sector**
- A revised proposal (>200k category) circulated to the PA for comments and decision
 - **Productization of MRV and connected registries**

Criteria

- Aid the transition towards implementation
- New, non-repeating activities
- Not an extension of the existing/ongoing activities
- Help to bridge the readiness/knowledge gaps
- Act as an incentive towards advanced stages of carbon pricing implementation
- **New activities must be completed by December 2020**
- **Idea-based activities, not country-based**

Key Issues and Priorities

- Likely impacts of the current situation on country programs
 - Country-wise assessment of tasks and possible streamlining/restructuring
 - Stakeholder consultations and end-of-program workshops
 - Possible budget implications
 - Alternative options (through bilateral discussion)
- New additional activities will be considered as per the criteria established
- Stock-taking activities to aid the closing process
 - Country cooperation required
 - Additional ideas welcome

Thank You!
