- Disbursements (and commitments) have gone up to over 77%
- Most countries on course to substantially complete the programs (many extended till Dec 20)
- A couple of countries would likely need restructuring (process on)
- Consultations/workshops impacted by lockdowns
Technical Work Program

- Two regional ‘Communicating Carbon Pricing’ workshops conducted (LAC in Costa Rica and ECA/MENA in Turkey).
- E-course on carbon tax completed (over 150 attended)
- Guide to measuring emissions completed
Additional Activities

- Six proposals sanctioned (<$200K category)
  - Develop the general framework for implementation of carbon pricing instruments (Indonesia case study)
  - Implementation of a voluntary crediting scheme and defining the crediting mechanism (Chile case study)
  - Intensive capacity building in carbon pricing and green investments (Thailand case study)
  - Carbon market development in Southern Africa
  - Customization of MRV system (Panama case study)
  - CORSIA: Capacity Building requirements for Aviation sector
- A revised proposal (>200k category) circulated to the PA for comments and decision
  - Productization of MRV and connected registries

Criteria

- Aid the transition towards implementation
- New, non-repeating activities
- Not an extension of the existing/ongoing activities
- Help to bridge the readiness/knowledge gaps
- Act as an incentive towards advanced stages of carbon pricing implementation
- New activities must be completed by December 2020
- Idea-based activities, not country-based
Key Issues and Priorities

December 2020
Complete all Activities

• Likely impacts of the current situation on country programs
  • Country-wise assessment of tasks and possible streamlining/restructuring
  • Stakeholder consultations and end-of-program workshops
  • Possible budget implications
  • Alternative options (through bilateral discussion)
• New additional activities will be considered as per the criteria established
• Stock-taking activities to aid the closing process
  • Country cooperation required
  • Additional ideas welcome

June 2021
Trust Fund Closure
