

# Partnership for Market Readiness (PMR): Technical Programs: Foundation for Implementation

**Xueman Wang**  
**PMR Secretariat**

Fifth Meeting of Partnership Assembly  
Washington DC, USA  
March 11 to 13, 2013

# Technical Work Program: Objectives

---

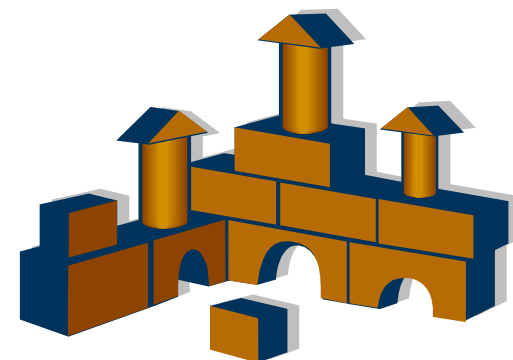

- ◆ Provide focused and systematic support to countries, in parallel to the MRP Implementation
- ◆ Bring best practice to countries and share knowledge and lessons
- ◆ Build a common framework

# Proposed PMR Technical work program

---

- Data management system and GHG registry
- MRV
- Baseline setting
- Offset standard for domestic carbon market
- Modeling Tools for carbon pricing instruments
- E-Learning platform: Emissions trading and online community of practice

# Technical Work Program: Approaches

---

- ◆ Partnership with the relevant agencies
- ◆ Establish working groups on focused areas
- ◆ Working meetings and training

# Thank You

---

## SEEKING INPUT AND GUIDANCE FROM PA ON THE PMR TECHNICAL WORK PROGRAM
