

UPDATE ON PMR KNOWLEDGE MANAGEMENT:

MRV

PMR Partnership Assembly Meeting
Mexico City, Mexico
March 3-5, 2014

- ◆ Developed 2nd regional MRV Training workshop
 - MRV of NAMAs in Latin America and the Caribbean
 - Starting tomorrow... March 6-8, 2014
 - Developed in partnership with the International Partnership on Mitigation and MRV, and with support from CAF
- ◆ Started work on two knowledge products:
 - GHG reporting “design guide”
 - Survey of MRV procedures in China’s seven ETS pilots
- ◆ Initiated preliminary work to establish an MRV eLearning module
- ◆ Will seek working Group input on next knowledge product:
 - “Compendium” of data management systems and registries

- ◆ Initial function: Provide strategic input to help
 - Define priorities
 - Clarify scope of work
 - Guide MRV program execution
- ◆ Additional future roles: Provide operational input to help
 - Deliver technical feedback during work product review and comment periods
 - Advise on coordination opportunities among partner workgroups within PMR, e.g., offset
