

PARTNERSHIP FOR MARKET READINESS (PMR)

**Organizational Meeting
Bangkok, April 10-11, 2011**

Resolution No. ORG-3

Implementing Country Participants' Participation in the PMR

Whereas:

According to Section 4.2 of the PMR Governance Framework, as proposed for adoption at the Organizational Meeting, the participants of the Partnership Assembly shall include, in addition to the Contributing Participants, the countries that have submitted an expression of interest to participate in the PMR and whose participation have been confirmed at the Organizational Meeting or any meeting of the Partnership Assembly (Implementing Country Participants).

The Organizational Meeting:

1. Decides to set the target number of Implementing Country Participants at 15. This limit is set with the understanding that if, in the future, there is broad support and additional financial resources, the PMR may be expanded to provide technical and financial support to more countries.
2. Confirms, in accordance with Section 4.2(b) of the PMR Governance Framework, the following countries, which have submitted an expression of interest to the PMR Secretariat by February 28, 2011, as Implementing Country Participants of the PMR: Chile, Colombia, Costa Rica, Indonesia, Mexico, Thailand, Turkey and Ukraine; and invites the aforementioned countries to submit a funding proposal for preparation phase, i.e. organizing framework for scoping of market readiness activities, for consideration by a meeting of the Partnership Assembly.
3. Invites the PMR Secretariat, in consultation with the participants at the Organizational Meeting and subsequently the Partnership Assembly, to continue its engagement with other potential Implementing Country Participants, with the objective of reaching a total of 15 Implementing Country Participants by the end of 2011.
