PARTNERSHIP FOR MARKET READINESS (PMR)

Seventh Meeting of the Partnership Assembly
Marrakesh, October 22-23, 2013

Resolution No. PA 7/2013-1

Allocation of the PMR Implementation Phase Funding for Activities in Indonesia

WHEREAS:

1.   The Partnership Assembly (PA), through Resolution No. PA1/2011-4, allocated the PMR Preparation Funding at its first meeting held in May 2011 to Indonesia to develop its Market Readiness Proposal (MRP);

2.   Indonesia submitted an initial draft MRP to the PMR Secretariat in March 2013. Pursuant to Resolution No. PA2/2011-3, the PMR Secretariat organized the expert feedback process to enhance the quality of the MRP. Based on the feedback and input from the PMR experts, the World Bank and the PMR Secretariat, Indonesia revised its draft MRP and formally presented it at PA6 in Barcelona on May 27, 2013 to seek feedback from Participants. On the basis of the verbal comments expressed by the Participants at PA6, and subsequent written comments received after the meeting, Indonesia further revised the MRP and submitted the final version to the PMR Secretariat three weeks prior to this meeting.

3.   Pursuant to Section 4.3(c) of the PMR Governance Framework, the PA is responsible for making a decision on the allocation of PMR funding to the Implementing Country Participants, in the absence of the establishment of a Partnership Committee.

4.   The PA considered the final MRP presented by Indonesia at this meeting and acknowledged efforts made by Indonesia in preparing and finalizing the MRP.

THE PARTNERSHIP ASSEMBLY:

1.   Decides, in accordance with the criteria included in Resolution No. PA 3/2012-4, to allocate the MRP implementation funding in the amount of US$3,000,000 for carrying out PMR activities identified in the MRP.

2.   Invites (i) PMR Participants to provide comments, if any, on Indonesia's MRP by November 6, 2013; and (ii) Indonesia to take into account such comments during implementation of its MRP.

3.   Invites Indonesia to periodically update the PA on the implementation of the MRP.
