2016 NDC Dialogues and preparation of LECB phase II program NDC support

*Empowered lives.
Resilient nations.*

- Global NDC Workshop (Brussels, June)
- LAC Regional Dialogue on NDCs (Costa Rica, July)
- Africa Regional Dialogue on NDCs (Tunisia, September)
- LECB II at 16 countries (LAC 6; Asia-Pacific 6; Africa: 4)

NDC Support needs

Planning NDC Implementation

Governance &
Institutional
Arrangements

Costing &
Financing

Transparency
& Monitoring

Needs Identified in Recent Dialogues (1)

1 NDC Implementation / Planning / Road maps

- **Disaggregating** economy-wide targets across sectors
- **Prioritize – highlight** (or Identify) new actions to achieve NDC goals
- Understanding **implications** of inaction (impacts, risks, feasibility, etc.)
- Developing **implementation plan** (timelines, roles, costs, needs, etc.)
- Embedding NDC implementation planning and targets within **development planning** (mainstreaming CC, avoiding parallel processes, aligning w/ sectoral priorities, building on LEDS and NAPs, linking w/ mid-century strategies and SDGs)
- **Institutionalizing** planning processes for future NDC rounds

Needs Identified in Recent Dialogues (2)

2 Institutional / governance of the NDC

- Building national **awareness, engagement and support** of climate action agreed at NDC
- Governance. **Institutional arrangements** (roles, responsibilities, mechanisms of coordination among ministries/institutions, coordinating between political and technical levels, etc.)
- Effectively engaging and increasing ownership of diverse **stakeholders** (relevant ministries, private sector, central banks, parliaments, etc.)
- Assessing and building **capacity of institutions** (calculations, modeling, project/proposal development, technology options, etc.)

Needs Identified in Recent Dialogues (3)

3 Define cost / Financial strategies / Expenditure monitoring

- Costing out prioritized CC measures, assessing climate **finance needs**
- **Mapping** public expenditures, private investments (CPEIR –PCIEIR)
- Understanding financing **opportunities/sources**
- Developing **funding strategies** (including conditional/unconditional)
- Building **capacity** to access funds from different sources
 - **Public**: assessing domestic public budget expenditures
 - **Private**: addressing barriers, creating enabling environments, etc.
 - **International**: attracting bilateral support, applying to multilateral funds, developing proposals, etc.
- **Blending** financing sources, considering role of carbon markets

Needs Identified in Recent Dialogues (4)

4 Monitoring and Transparency

- Understanding **transparency** requirements (linking with national communications, BURs, etc.)
- Developing and strengthening monitoring **plans / MRV systems**
- **Training** public entities on MRV mechanisms
- Building capacity for **data collection**/management, monitoring
- Addressing data **quality/gaps** (updating **inventories** as needed)
- Measuring sustainable development or **non-GHG** impacts of actions and linking this with monitoring/reporting for **SDGs**

Currently developing joint guidance to be used by countries as they prepare for NDC implementation.

Phase 1:

Feedback on NDC Implementation Guidance Outline

9 Nov - 9 Dec 2016

Comment

A card for Phase 1 of the e-discussion. It has a yellow header with 'Phase 1:'. The background is a woman smiling. The text describes the phase as 'Feedback on NDC Implementation Guidance Outline' and lists the dates '9 Nov - 9 Dec 2016'. There is a 'Comment' button with a speech bubble icon.

Phase 2:

Institutions, Awareness, and Engagement

1 - 21 Dec 2016

Comment

A card for Phase 2 of the e-discussion. It has a yellow header with 'Phase 2:'. The background is a wooden pier extending into the ocean. The text describes the phase as 'Institutions, Awareness, and Engagement' and lists the dates '1 - 21 Dec 2016'. There is a 'Comment' button with a speech bubble icon.

Phase 3:

NDC Implementation Planning

A card for Phase 3 of the e-discussion. It has a dark green header with 'Phase 3:'. The background is a toucan bird. The text describes the phase as 'NDC Implementation Planning'.

Phase 4:

Funding Strategies and Mobilizing Resources

23 Jan - 3 Feb 2017

A card for Phase 4 of the e-discussion. It has a dark grey header with 'Phase 4:'. The background is a person's hands holding a basket of grapes. The text describes the phase as 'Funding Strategies and Mobilizing Resources' and lists the dates '23 Jan - 3 Feb 2017'.

Phase 5:

Monitoring and Transparency

6 - 17 Feb 2017

A card for Phase 5 of the e-discussion. It has a dark grey header with 'Phase 5:'. The background is a cracked, dry earth surface. The text describes the phase as 'Monitoring and Transparency' and lists the dates '6 - 17 Feb 2017'.
