# Process for Allocating Additional Funding: Background

---

- Part of the Strategic Discussions on the immediate future of the PMR (i.e. until 2020)
- **PA13:** Draft proposal on a procedure for the allocation of additional funding under the PMR
- **PA14:** Revised proposal for the use of additional funding for endorsement
- **Intersessional Period (PA14-15):** Revision of criteria for assessing additional funding allocation proposals

# Complementary Activities related to MRPs or Targeted Technical Support

---

## ◆ Objectives:

1. Strengthen and complement the implementation of existing activities
2. Help achieve the MRP objectives
3. Overcome the existing barriers to implementation
4. Improve readiness for the implementation of carbon pricing instruments

## ◆ Basis:

1. Review of the progress of the PMR project
2. Identification of additional readiness gaps

# Policy Analysis Activities

---

## ◆ Objectives:

1. Inform the selection and introduction of a carbon pricing instrument
2. Identify a suitable package of policies and measures, and understand their interactions, impacts and potential barriers
3. Take a holistic approach to mitigation goal and policy setting

## ◆ Basis:

1. Outside of the scope of existing MRP activities
2. Identification of additional readiness gaps
