

Partnership for Market Readiness Technical Workshop
‘Upstream Policy Analysis for INDCs: Approaches, Challenges, Opportunities’

Agenda
 May 29, 2015
 Barcelona, Spain

1. Opening and Introduction	
08:30	Registration and badge pick-up
09:00	Opening remarks by the World Bank (<i>Vikram Widge, Head, Climate and Carbon Finance, World Bank Group</i>)
2. Taking stock of PMR Upstream Policy Analytical Work for Mitigation Scenarios	
<i>The session will be facilitated by the PMR Secretariat.</i>	
<p>Five PMR countries – Brazil, China, Costa Rica, Colombia and Peru – have received technical assistance in carrying out analytical work that supports setting mitigation scenarios and identifying policy instruments, including carbon pricing, to achieve the target. This session will provide an opportunity for these countries to share information on the progress of the work and its relevance to the ongoing preparation of countries’ intended nationally determined contributions (INDCs).</p>	
09:15	<ul style="list-style-type: none"> - Overview of the PMR upstream policy work (<i>Ms. Xueman Wang, PMR Secretariat</i>) - Country presentations: <ul style="list-style-type: none"> o <i>Brazil (Mr. Jose D. Miguez, Ministry of Environment)</i> o <i>China (Ms. Fu Sha, National Center for Climate Change Strategy and International Cooperation)</i>
